Professional Summary

I am teaching economics since 2018 to the high school students. Apart from teaching experience there is a lot of diversity in my skills I hold from financial and sales tax auditor to a recruiter. I worked with Nasir and Co. Chartered accountants in Pakistan from 2001 to 2004 and from 2013 to 2016 worked as a recruiter. My abilities and flexible personality help me to mold myself in any role granted and I make sure things go perfect more than the expectations of my employer. Besides from teaching skills of economic and English I have also ability to prepare and understand accounts (balance sheet, profit and loss accounts), also I have expertise in computer software handling.
